sometimes as a surfer, we need an escape from this...

nothing beats walking over that last hill

and finding a perfect empty lineup

Mexico is littered with high quality waves, many of which go mostly unriden. It is the perfect place to explore the old fashioned way by going up and down the coast in search of liquid treasure.

You can play it safe and travel to a destination spot where you know what to expect, or....

You can travel to an uninhabited area and explore the coastline and discover something unexpected. The ocean and coast are always changing, making each day a new discovery.
